DO LGBTQ PATIENTS GET PREGNANT?

OBSTETRICS & GYNECOLOGY
GRAND ROUNDS

RANDI SINGER, CNM, RN, MED
Doctoral Student, Human Sexuality
Widener University

WHO IS THE INTENDED AUDIENCE?
Faculty, Physicians, Fellows, Residents, Midwives, Nurses, Social Workers, Researchers & Students.

OBJECTIVES
Upon completion of the activity:

- Describe how gender identity and sexual orientation are different.
- Delineate barriers to adequate care faced by LGBTQ patients.
- Outline available resources for the LGBTQ childbearing population.
- Summarize how provider attitude, knowledge and behaviors can positively impact the obstetrical healthcare of patients.

CONTINUING MEDICAL EDUCATION
The University of Illinois College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Illinois College of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
